Detail Oriented	Microsoft Office	Record Keeping

EXPERIENCE

Cross-Trained Sales Consultant **July 2026 — Present**
Truworths: Mall of Africa, Midrand

- Process point-of-sale purchases, payments, and store-account transactions, confirming supporting documents before close-off.
- Complete daily banking with the store manager: verify cash floats, match takings to records, and reconcile balances before handover.
- Conduct departmental stock counts, identify variances, and support investigation and resolution of differences.
- Receive incoming deliveries, inspect merchandise, apply tags, and allocate items to correct departments and records.
- Maintain accurate operational records and housekeeping in line with company policies.

Administrative Assistant **Mar 2019 — Jan 2022**
Ikamva Youth Center: Ebony Park, Midrand

- Captured and maintained branch databases and records, with emphasis on accuracy, completeness and current information.
- Processed online inquiries, followed up missing details and responded to requests in a professional, time-bound manner.
- Managed document control and content updates in line with branding, accuracy and presentation standards.
- Performed routine administration, data entry and filing to keep records ready for review.
